DESIGN FOR OUR FUTURE . . . A pattern, a foundation for the life that will be ours, and for the world that will be ours—that is what the youth of today is seeking; a guiding force; a star to steer by. It is only through education that we can attain what we are seeking and gain an understanding of what makes up the design for our future. It is not a simple thing, easily defined, but a complex structure composed of many parts.

Important in the design is the knowledge of the past, the basis of our faith. It serves to point the way that we are going, a never-ending path of development. Another part is the knowledge of the present. Our modern day inventions and modes of life stimulate us to the desire for further betterment. But a larger and more integral part of the design is that knowledge and experience and desire which we ourselves acquire. We cannot rely upon others to point the way to happiness. We must exercise our own abilities and initiatives, molding carefully the design for our future, for on that design rest the chances for survival of those ideals we hold in such esteem . . . peace, security, and freedom. Let us plan thoughtfully.

Every Senior who graduates from Claremont High School leaves behind him an unforgettable friend—a friend whose ready smile and cheerful "Hello" have made each of us feel a quick glow of warmth. Many times every day his work is interrupted by our pleas for help, and always, unselfishly, he comes to our aid, no matter what the time or situation. His unending patience has earned our deep admiration, and sincerest thanks. It is our privilege to dedicate EL ESPIRITU DE 1951 to Frank Gettman.

MR FRANK GETTMAN

Just as it is impossible to accomplish a task without skill and equipment, it is impossible to form the Design for Our Future without directors and leaders. These people help us to use our skills and to develop our abilities.

Our elected officers work for the good of the school and the interests of the student body. They are responsible for maintaining a friendly, cooperative spirit.

Together, these Designers are building a successful future.

CLASS OF 1951

Congratulations on finishing another lap of your journey to free, responsible citizenship! High School life is a carefree period—a happy period for most of you. But adult life is a far more rewarding period for those who become truly adult. You are a fine group. You have done a great deal for your school and for yourselves. If you will keep your courage and your sense of humor, and if you will work hard, the success and happiness that is real adult life will be yours. One more thing—we shall all miss you, and we hope you will come back often to see us.

They're leaving. Yes, the class of "51" is graduating. How different they seem from what they were on that first day in September 1945 when they enrolled at C.H.S. for the first time.

As we look back on the years, we see a class that has grown and matured by leaps and bounds, learning from all their classes and experiences. They took the hard knocks along with the rosy days and profited by them. This class will be hard to replace. Their scholastic ability and sportsmanship will leave a great challenge to us.

Masterfully led by their class presidents, Gil Oliver and George Madsen, they planned successful activities. A good number of them helped run our school government besides leading the way in extra-curricular activities. But, most important of all, they gave to our school a wonderful spirit and a high quality of sportsmanship unequalled in the past.

At the present time, the world situation doesn't look too promising. We wish you luck, but we need not worry. You have prepared well your design for the future.

Now that the Seniors are leaving, what is in store for the Class of '52? Will their design be as complete as the one set before them this year? Let's preview our future Seniors. They have already proved as a class their enthusiasm and drive in the manner in which they have entered into school activities and backed class projects. The energy and spirit of the Class of '52 and the co-operation which it has given its officers throughout the year played a major part in making the school year of 1950-51 an inspiring success. In student council, student body events, such as plays and dances, and on athletic teams, the Class of '52 has helped to set a standard for the Junior Classes of the future. They have also done well as students, and their friendly spirit of co-operation with the faculty will be remembered for years to come. Perhaps a bit too enthusiastic at times, but always ready and willing to handle any problem that the future may bring, the Class of '52 marches on—a group of leaders, athletes, and students of which C.H.S. may well be proud.

The Sophomore class has been an industrious class this year, trying to get a head start on fund-raising for the important Jr.-Sr. Prom next year. It started with the sell-out fish pond at the Halloween Carnival and climaxed with the school dance put on by the Sophomores in April.

Several Sophomores received letters for varsity football and one member of the class of '53 received a letter for being a member of the cross country track team. B track and baseball were greatly aided by the Sophomores.

Five of their number were seen in the school production "Our Hearts Were Young and Gay," and the operetta and Talent Show were enthusiastically supported by the class of '53.

Four Sophomores were club presidents this year and ten were members of C.S.F.

These activities are but a small pattern in the design that the future holds for the Sophomore class.

FRESHMEN

Here's a class that's really getting into the activities at C.H.S. With several of the boys making their varsity letter, we should have great teams in the future. Bill Norris was not only president of the class, but president of the Jr. High Student Council. The other president was David Bosson who did a grand job. Several of the Freshmen were in the Talent Show and several of them were in "Our Hearts Were Young and Gay."

Lola Ice, first semester, Bim Jollymour, second semester, class presidents.

Lola Ice, first semester, and Bim Jollymour, second semester, were the successful presidents of the eighth grade. This class took an important part in the student body activities. They have assumed many responsibilities. An active class, they have achieved a great deal. They raised a larger amount on a food sale than any other class. They deserve credit for their spirit and drive in athletics, and they deserve recognition for their part in organizing the Hallowe'en Party.

SEVENTH GRADE

Enthusiastic and full of pep describes the class of '56. With Gordon Bartlett and William Strathmann as their leaders they've taken the first step towards graduation. With the right foot forward they are bound to be able to take over the leadership of C.H.S. With their help and hard effort a great success was made of the March of Dimes Campaign. The future will reveal their hidden talents and leadership.

Our athletic teams are an important part of the Design for Our Future. As Craftsmen the boys acquire character building qualities—co-operation, diligence, and confidence. Sportsmanship learned in athletics molds them into well-rounded citizens.

OLIVIER

HI KID!

A whole page to my little old lonesome just to wright, write, writte, writtee, on! Well, next year you will be a freshman, gad! how fast time goes! I hope I see you at more of the games next year. I get a "kick" out of sports-writing. Well, best of luck, have fun this summa, next year in Latin Class, and from thenon.

Your esteemed Cousin,

Crosby Pearson

CROSBY PEARSON

Have you ever seen a boy writing furiously through even the most exciting and crucial high spots in a game? And then, perhaps, wondered why on earth someone would be doing this? Well, this person was probably Crosby Pearson, our faithful sports writer, setting down as a permanent record our victories and our losses, capturing some of the thrills and exciting moments of our sports events for everyone to know.

A sports writer must have patience, endurance, and most of all, a hard-working, enthusiastic spirit. Crosby has shown these qualities constantly throughout the year. Though few of us actually realize the hard work that goes into this job, we know that Crosby has done a good job, and has earned our thanks.

The Claremont Letterman's Club is a traditional organization designed to promote interest in athletics. It buys and issues letter awards in cooperation with the coaches. In order to raise the money to buy expensive letter awards the club put on a dance and a carnival.

With Dick Liles as president, the Letterman's Club left a good record this year. During football season the club roped off the football field for all home games. When they noticed that the basketball court in the new gymnasium was taking a beating from students walking across it during lunch period, the club roped off the floor.

It set a high standard for all dances to live up to, with its successful annual semi-formal dance. Later in the year the club gave an excellent non-date informal dance.

During the second semester there was the one and only Letterman's Carnival, with its gay colors, exciting raffle, and happy crowds intent on spending money and enjoying themselves.

The Wolfpack got off to a good start this year, defeating Puente 28-7. Our first score came in the second quarter when Paul Whitham scored from the twelve yard stripe. A thirty yard running drive and a pass from Paul Whitham to Bill Howell set up the second score. Paul again carried the ball and Pat Martinez converted as he did the first time to make the score 14-0. In the third period Howell raced eighty yards for a touchdown. Howell also made our final one in the last quarter. With three minutes to go, J. Mussero of Puente took a kick-off and rambled ninety wards for Puente's only score.

CLAREMONT 6 – CITRUS 0

In the final game of the season Claremont defeated Citrus 6-0. With only five minutes of the ball game to go, Paul Whitham scored a touchdown, running twenty-two yards to pay dirt. The conversion was blocked. With this victory the Wolfpack captured third place in league standings.

B FOOTBALL

The B Football squad was coached this season by George Colbath, former Claremont High School and Pomona College football star. This year the team played in the league before Varsity games. Although they were unsuccessful in winning any of their encounters, they gained valuable experience which will help them in the future.

Front row: C. Runsvold, J. Contreras, J. Drinker, L. Armendarez, P. Smith, manager, S. Melendrez, captain, B. Jollymour, L. Tryon. *Second row:* E. Hearst, E. Cunliffe, E. Haertel, B. Twiford, J. JR. HI FOOTBALL

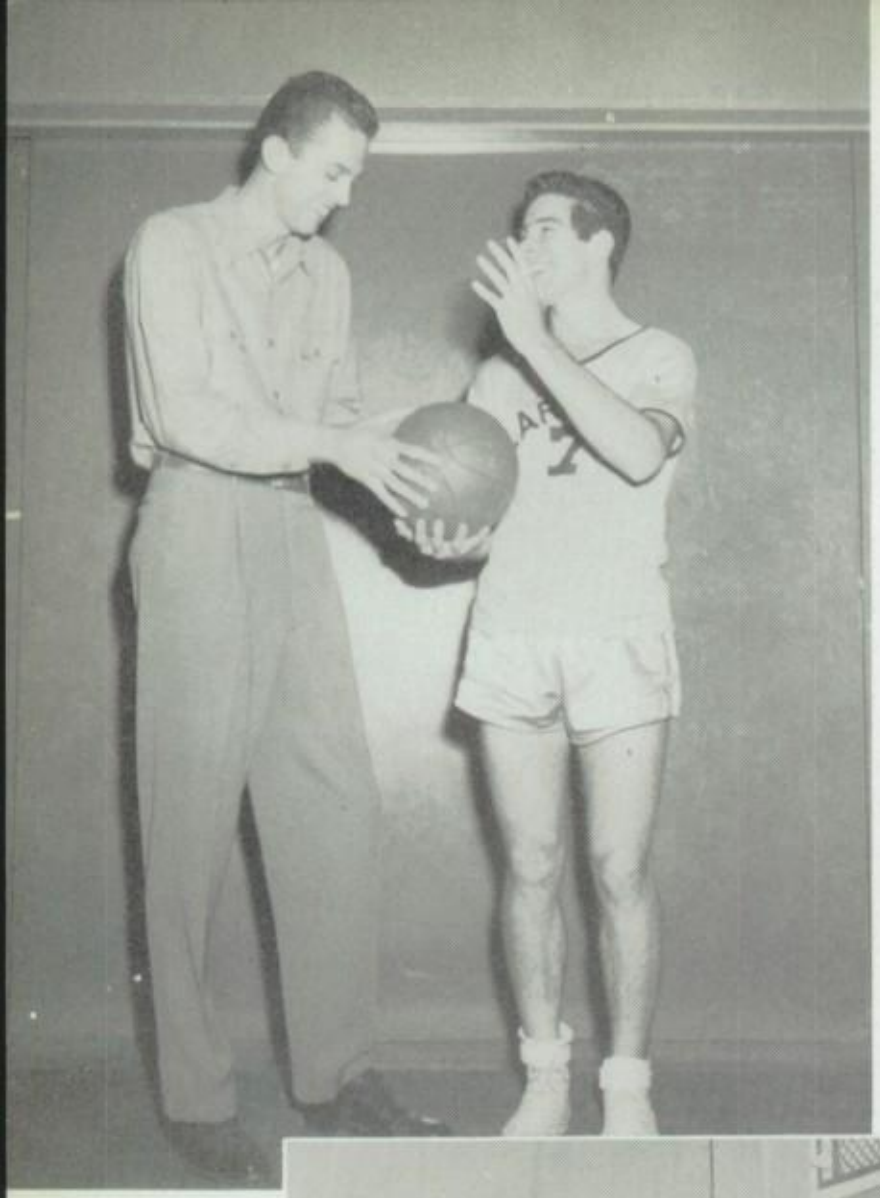
The Junior High football team, coached by Mr. Robert Jones and Mr. Arthur Reitnouer, had a very successful season winning all their games but one which they tied. They played nearly all of the junior high schools around here, and had no serious injuries. The team members displayed skill and coordination and should go far in their future football careers.

CAGERS CO-CHAMPS



Coach Locke Olson and Captain Paul Whitham.

Three consecutive seasons is the number! Basketball champions for the third time. Under the capable coaching of Locke Olson the Wolfpack became Co-Champions of the Tri-County League, sharing the honor with Bonita and Chino. Claremont defeated Chino in an exciting play-off (for representation in C.I.F. finals) at M.S.A.C., but failed to conquer Bonita at Pomona College. Claremont is truly proud of the team again this year!

CLAREMONT 29 – PUENTE 23

As in football, the snappy Wolfpack romped to a victory over Puente. It was a tight game until the last period, when the Wolfpack scored seven points to Puente's four. Gil Oliver was high man for Claremont with seven points. The score was Claremont 29, Puente 23 when the gun sounded at Puente.

CLAREMONT 67 – CORONA 44

The Wolfpack rolled to a 67-44 victory over Corona. Corona held a half-time lead, but Claremont came back in the last half to make the victory decisive. High point men for us were Paul Whitham with 28 points, and Gil Oliver and George Madsen with 12 points each.

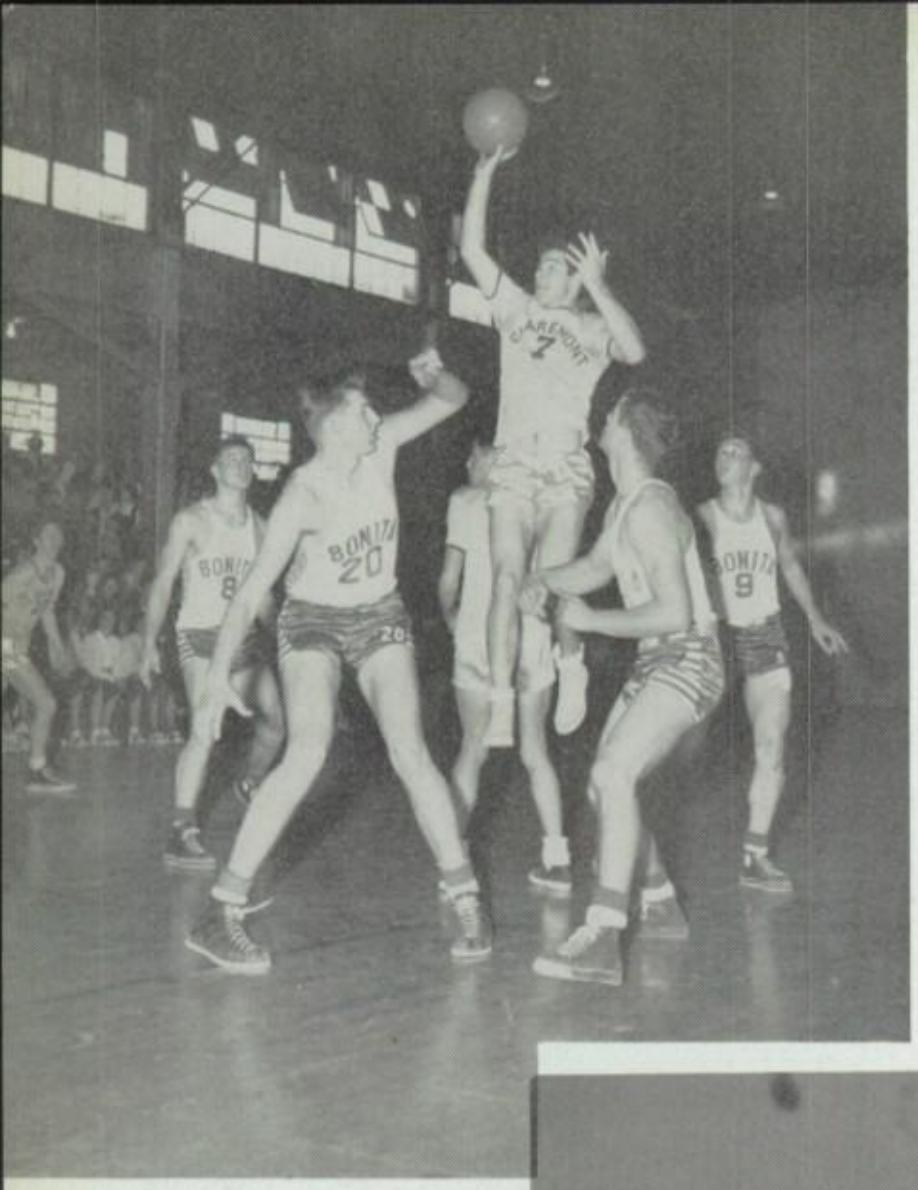
CLAREMONT 24–BONITA 22

In the first game with Bonita the Wolfpack topped the Bearcats by two points. The game was a very tight but deliberate game. Gil Oliver came through with nine points to be top scorer. Played in our own gym, the game was won 24-22.

CLAREMONT 39–CHINO 38

Chino won their first game against Claremont in a thriller, topping us by only one point. The battle see-sawed throughout the third quarter but the Cowboys were on top of a 34-32 count going into the final stanza. With seconds left to go, Chino dropped in a free throw to give the Cowboys their one point victory. Paul Whitham led the scoring with eighteen points.



CLAREMONT 47 – CITRUS 44

The Wolfpack lost to Citrus in the following game. The two teams battled on even terms during the third quarter and the score was still knotted 37-37 going into the fourth quarter. However, Citrus went ahead to make the score 47-44. Paul Whitham was our top scorer with fourteen counters.

CLAREMONT 31 – PUENTE 29

On Claremont's court, the Wolfpack again defeated Puente. Delbert Gonzales, taking Gil Oliver's place as center, collected twelve points and made the winning basket with seconds to go. It was a tight game all the way, the final score standing at 31-29.

CLAREMONT 34 – CORONA 36

Claremont was on the wrong end of the score in the second game with Corona. It was a fast, rough contest all the way with plenty of thrills right down to the last second. Corona scored 36 to the Wolfpack's 34 counters. Captain Paul Whitham collected twenty-two points.

CLAREMONT 30 – BONITA 46

The Wolfpack was defeated by Bonita in the second encounter with this strong team. The game was hard fought but we didn't seem to be able to get above the Bearcats often enough. The final score was Bonita 46, Claremont 30.

Jump, George!

Stanley scores!

CLAREMONT 34 – CHINO 28

Claremont defeated Chino by six points at Chino in the second league encounter with the Cowboys. Coach Locke Olson used only five players during the game that night—Dick Liles, the Madsen brothers, and the Whitham brothers. Paul Whitham was high point man with fifteen points, followed by George Madsen with eight points. The final score was Claremont 34—Chino 28.

CLAREMONT 42 – CITRUS 39

In the last league game of the season Claremont clipped Citrus to win co-champion honors in our gym. The Wolfpack took an early lead. At half the score remained in our favor 25-17. Eighteen points was the tally of the points looped in by Captain Paul Whitham as the team won 42-39.

Mr. George Colbath coached the B Team, and Erroll Murphy was its manager. Its members are largely freshmen. The exceptions are T. Cook, junior; H. DeWeese, R. Gonzales, D. Hernandez, and E. Wolfe, sophomores. The high point of the season came when the team defeated the Bonita B's 36 to 33.

About sixteen boys of the seventh and eighth grades make up the squad, captained by Eddie Haertel and coached by Mr. Robert Jones, Mr. Arthur Reitnouer, and Gil Oliver.

CROSS COUNTRY

Cross-country running is a new sport at Claremont High School. It is also a brand new sport in the Tri-County League, with four league schools having teams this year. Letters were awarded in assembly after the student council voted it a major sport. Coached by Lyle C. Martin, Roger Cook, captain, Terry Cook, Irvin Gneier, Mario Serna, Dick White, and Jim White made up the team.

The cross-country course is 1.8 miles. The first meet was a practice one at Bonita which the Wolfpack won. On December 16, the team participated in an invitational cross-country meet at Mt. San Antonio College. The Tri-County meet topped off a successful season with Claremont close to Chino, the winner. Captain Roger Cook got a medal for fourth, and Terry Cook next year's captain, received a fifth place medal.

TRACK

Captain Howell and Coach Martin.

Coached by Lyle C. Martin and captained by Bill Howell the track teams showed plenty of promise in early season practice, although the team lacked depth. In the Inter-Class Track Meet the Sophs captured top spot with the Juniors, Seniors, and Frosh following in that order.

Rounding out the Wolfpack cinders squad were the B and C teams. Conley Angle in the sprints and relay, Tony Cabezuela in the pole vault and high jump events, Manuel Contreras in the high jump and pole vault, Norman Enfield in the sprints, Robert Gonzales in the hurdles and pole vault, Steve Gonzales in the high jump, Charles Hale in the hurdles, R. ANNUAL STAFF

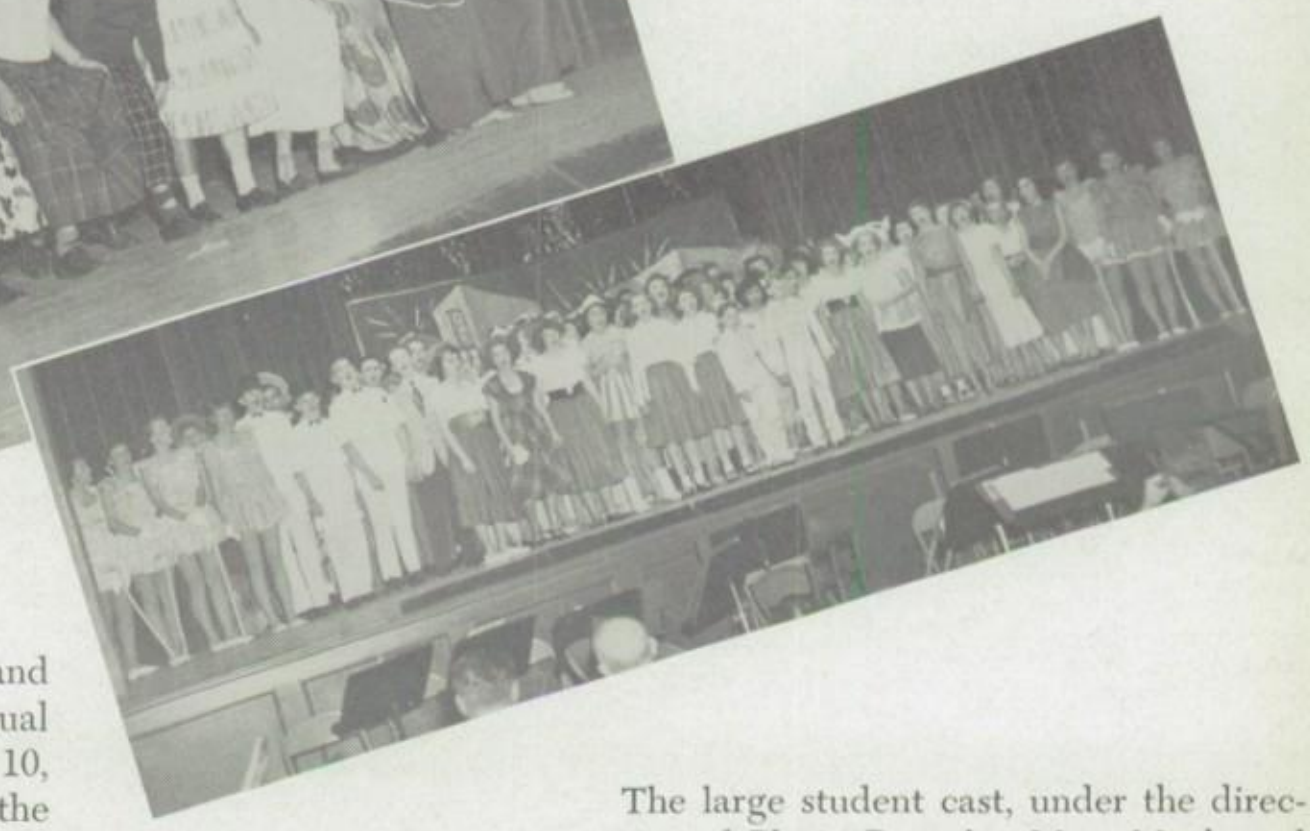
Hours of preparation went into "El Espiritu de 1951," with the annual staff working out each detail, from soliciting money from sponsors to discovering the details of Seniors' lives.

This year the book was sent in three shipments to publishers in the east. Sue Beatty and Joanne Hill worked long into the night to meet each deadline.

Mrs. Irene B. Mahoney, annual advisor, gave encouragement and help to the staff. Mr. Robert Frampton was on hand at every event with his camera, and, as you can see, has given "El Espiritu de '51" a photography job to be proud of.

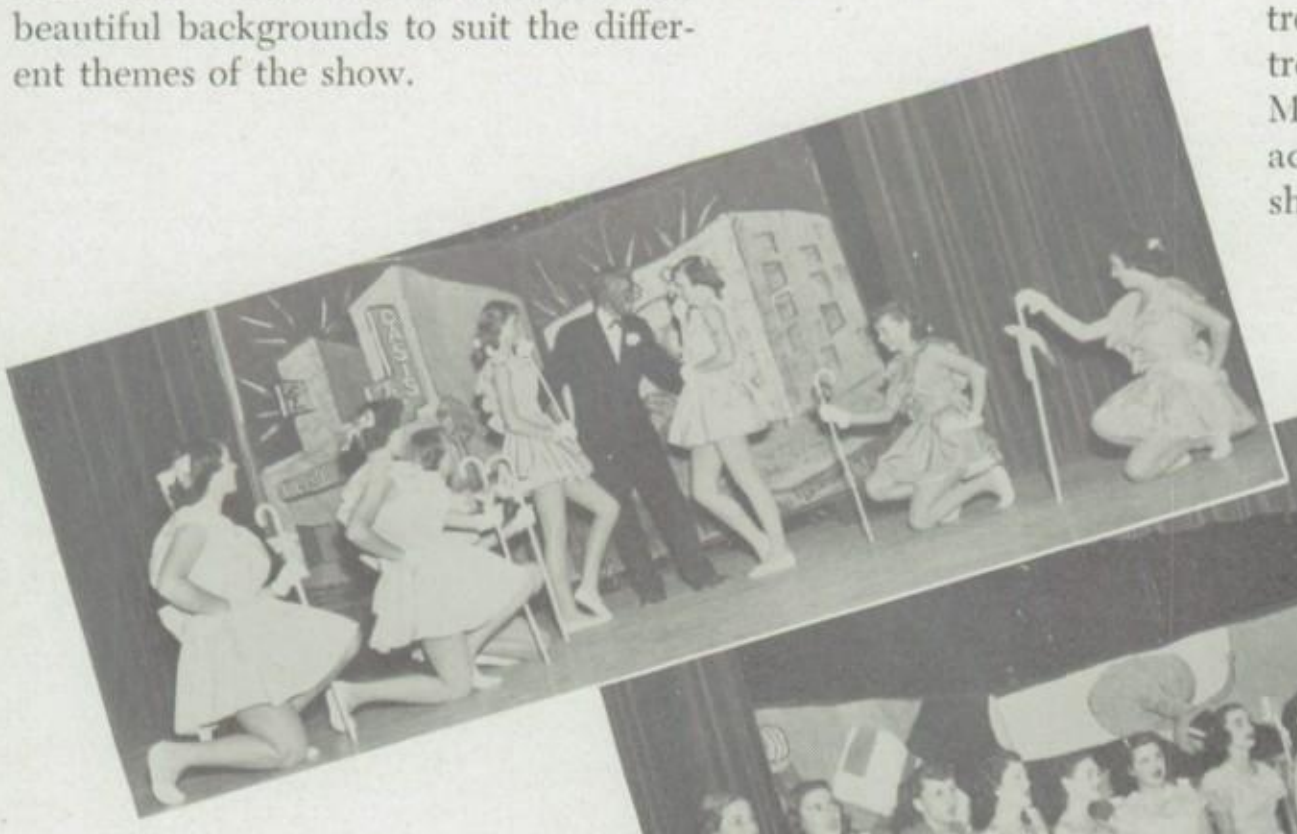
To Gil Oliver goes the credit for designing the division pages around the theme of the book, and his hand lettering adds much to the appearance of the pages.

TALENT SHOW



After hours of feverish preparation and a few last-minute emergencies, the annual Talent Show was presented on March 10, and was a success. The background of the set was a huge El Espiritu. As the pages of the book were turned the scenes formed beautiful backgrounds to suit the different themes of the show.

The large student cast, under the direction of Gloria Gonzales, Mary Mock, and Mrs. Cornelia K. Hull performed like real troopers and were all rewarded by the tremendous applause of the audience. Mr. Booth supervised the behind-stage activities. The cast enjoyed being in the show as much as the audience liked them.



WOLFPACKET STAFF

The Wolfpacket Room is the workshop of the school's journalistic talent. Under the able leadership of co-editors Carol Ann Jobe and Bob VonderReith, the newspaper has had a successful, if somewhat hectic year. Bi-monthly Wednesday deadlines seemed to recur too frequently. The constant cry was "We don't have enough stuff! Somebody write an article, quick." The staff members, busy with their studies, struggled bravely to meet their assignments. Perhaps no Drew Pearson or Walter Winchell was developed, but the paper came out on time, and everyone had a lot of fun. Mr. McGill, Wolfpacket advisor, became a red pencil expert and cultivated a decided squint reading Wolfpacket material. Mr. Stanley Larson of the Claremont Courier had the precarious job of printing the paper, with the assistance of the long suffering printer, and other members of the Courier's staff. In June the Editors bade a sad farewell to the Wolfpacket, with much sage advice to the new staff. All in all, it was a wonderful year.

CHRISTMAS DANCE

The traditionally gale event of the Christmas season was again sponsored by the Wolfpacket. A large crowd of both Junior and Senior High Students filled the Sycamore Auditorium, where Mr. Santa Claus beamed broadly from his perch on the balcony. Bobbie Whiting, last year's Queen crowned lovely Barbara Schrink as Christmas Queen. Her court consisted of Neva Hill, Nancy Taft, Carolyn Ferrill, Anita Molina, Mary Williams, Marjorie McBurney and Jackie Frost.

Music was furnished by the Fathers' Band with Dr. Milton Jones as soloist. Members of the art club, The Daubers, provided the unusual decorations which utilized the Santa's Workshop theme.

The party was successful in every respect.

BUSINESS CLUB

Left to right: M. Maxcey, President Sumpter, P. Goodchap, J. White, E. Tseng, G. Brooke, President Rugh.

MR. FRASER, Advisor

The Business Club, with the aid of Mr. Fraser, accomplished several projects this year. The purpose of this new club is to acquaint the members with different phases of business. With this in mind they were given the opportunity of actually seeing local business in action, including a field trip to the Fontana Steel Mill. Patsy Rugh was president and Eddie Tseng, vice-president for the first semester, while during the second semester Betty Sumpter, president, and Marcia Maxcey, vice-president, were the leaders. The future hope of the club is to render efficient business services to the community.

LIBRARY CLUB

Working under the direction of Mrs. Mahoney, the library club has worked hard to give help to students using the library and its facilities.

The club has met every Tuesday during activity period, and all of the members have given at least one period each week to work in the library.

The members see that the books are on the shelves in their proper order. They also aid in checking out books and magazines to those students having occasion to use them.

In the spring the club presented an assembly program, "The Clock Struck Twelve."

Ila Rae Hauge was the president for the first semester and Barbara Graf for the second.

GIRLS' LEAGUE

All the girls in the senior high school are united in an organization which gives each girl the opportunity for friendship with all, and for service to our school.

Under the leadership of President Patsy Rugh and the supervision of Mrs. Irene Mahoney, this group had a successful year. A welcoming committee to greet new students was formed at the first meeting and this was followed by a Big and Little Sister Party at the Memorial Park.

After adopting the David and Margaret Home as a project in November, the Ways and Means Committee was formed to find methods of making money for the projects. Following tradition, the Girls league Formal was held in February this year with a Hawaiian theme. The Sycamore Auditorium was bedecked with camellias, ukes, and Hawaiian murals.

The next event was the fashion show sponsored by Petite Paris in which Girls League members did the modeling. On May 26, the girls were given the opportunity of showing the boys their domestic talents by serving at the All Sports Banquet. Their meetings were held monthly and the programs were given by Girls League Members or by professional women.

Sharing the responsibilities for the very active year were Margaret Wasden, vice-president, Norma Clayton, treasurer, and Pyonne Aultman, secretary.

The year was brought to a close in June by the inauguration of new officers and a tea for the girls' mothers.

KEY CLUB

This year was the third one that Claremont High School has had a Key Club. With Mr. Martin as advisor, this club is sponsored by the Kiwanis Club, and, like it, is a service club. Its purpose is to assist the school, and it provides a means for development of initiative and leadership among its members not to be found in ordinary activities. One of the major activities of the club this year was the cleaning of the gymnasium before the basketball season. But the project which contributed an even greater satisfaction was the drive which was conducted at Christmas time for toys for underprivileged children.

As the members (sophomore, junior, and senior boys) work, they learn to give and take orders, to make decisions quickly and on the basis of information available to them. They also learn to stand before a group and express their thoughts and opinions.

DAUBERS

The Daubers are a new club, started this year by Mrs. Jeanne Dauth, our new art instructor. When she left Chaffey, the Daubers there, called Daubers I, asked her if she would encourage the organization of a similar club here. The idea met with the approval of our art students and nineteen joined the club.

The officers for the first semester were Paul Hodges, President; Barbara Bonicamp, Vice-President; Diana Brown, Secretary; Nancy Taft, Treasurer, and Anita Matthay, Advertising Manager. The first semester was climaxed with a combined party of Daubers I and Daubers II at the Youth Center, where the walls were covered with student paintings of both groups. For the second semester the officers were Joyce Sanders, President; Susanna Matthay, Vice-President; Nancy Taft, Recording Secretary; Marian Hawkins, Corresponding Secretary; Marian Frank, Treasurer, and Paul Hodges, Advertising Manager.

The Daubers are primarily a service club, although their aim is also to broaden their own interests and gain experience. Their main purpose is to share their talent and knowledge with the school and the community. Some of the services performed were making tray cards for March Field Hospital at Thanksgiving and Christmas, and making posters for the Halloween program, the Christmas dance, "Our Hearts Were Young and Gay," the Talent Show, and the operetta.

Sitting: S. Matthay, J. Sanders, N. Taft, K. Conklin, D. Brown. *Standing:* M. McAlister, J. Armendarez, B. Finer, P. Whitham, E. Tseng, P. Hodges, M. Frank, A. Matthay, M. Hawkins, S. Beatty, Mrs. Dauth, B. Bonicamp.

CAMERA CLUB

The Camera Club was formed last year. This year, under Mr. Arrington's direction, the club made progress. The members arranged a darkroom for developing and printing, and they participated in contests and projects. Dividing into two groups, a photography section and a science section, they widened the scope of their activities. Auggie Torrez was the president.

Back row: B. Woodrum, B. Massey, V. McCarty, Mr. Cohn, C. Steele, D. Dowell. *Front to back:* R. Parilla, L. Tryon, F. Molina, L. Armendarez.

TUMBLING CLUB

The Tumbling Club is a newly organized group which meets in the gym during the activity period, under the guidance of Mr. Leonard Cohn. It is made up of seventh and eighth grade boys and its purpose is to develop coordination and agility. These boys have learned the proper use of the high bars and have worked with Indian clubs. They have also learned to construct pyramids.

HOBBY CLUB

The Hobby Club, organized this year, met weekly in the shop. Its purpose is to train boys in manual arts. During both semesters they worked in wood, metal, and plastic, and made things for their own or others' pleasure.

Some of the projects of this club have been: making bed trays for use in Army hospitals, feed hoppers for animals, carvings, sharpening knives and repairing electric motors. If the members, eighth grade boys, had no particular project, Mr. Robert Papsdorf, advisor, suggested one.

Left to right: P. Wade, D. Jacobs, R. Wall, W. Jones, F. Gaige, B. Twiford, N. Larsen, P. Anderson, C. Gonzales, G. Candelas, R. Melendrez, B. Jollymour, D. Bassi, E. Hearst, J. Farmer, Mr. Papsdorf, J. Drinker.

One of the most valuable services to the public appearance of groups in the school is contributed by the girls who handle the grease paint and the eyebrow pencil. The make-up committee, consisting of nine girls, has worked on every major stage production during the year, sometimes with Mr. Rudo Fromme, more frequently without direction. They have also had the advantage of some other professional demonstrations. Working regularly during activity period, the girls have acquired considerable facility and will render still more efficient service in the future.

Left to right: G. Murphy, M. Mock, A. Lockwood, A. Matthay, C. Jobe, R. Lee, B. Jones, A. Wagner.

DRAMA CLUB

"Quiet backstage! Places! Curtain!!" The curtain went up on one of the several plays that the Drama Club presented this year. However, the audiences were small, consisting usually of the members only, although a one-act comedy was presented for a Junior High Assembly in March.

Besides producing plays, the thirty members of the club, headed by their president John Keesey and under the direction of Miss Ruth Frankel, heard talks from people connected with the many fields in drama. Mr. Rudo Fromme, the head make-up man for all of the plays at school, was one of the most interesting of these. The make-up committee of the club was on hand for the student body play, the Christmas program, the Talent Show, and the operetta.

Since the Drama Club was organized for the first time this year, it has had many problems to overcome from the beginning. However, it has made an excellent start and next year the members hope to make the club more useful to the student body.

The Orchestra also represented the school at a program at Van Nuys and at the Tri-County Music Festival. Some members of the orchestra went to Santa Barbara in the spring to participate in a program there.

CHORUS CLUB

The Chorus Club is a group of junior high school girls who like to sing. Under the direction of Miss Alice Corbeil they proved their ability in the Talent Show when they danced and sang "Sweet Rosy O'Grady."

With its twenty-five members, the band, led by Mr. George Denes, began marching this year. For the first time in Claremont's history, the band marched with all others at the Tri-County Football Carnival. Its spirited music helped student body morale, and lent zest to our pep rallies. Our games were made more thrilling by the support of Mr. Denes and the band, assisted by Miss Beverly Cook.

PEP LEADERS

P. Naftel

Team and student body morale was at a high level all year due to the efforts of the pep leaders. Mary Dunn, Gay Murphy, and Patti Naftel, cheerleaders, and Shirley Bosson, Neva Hill, Barbara Schrink, and Nancy Taft, songleaders, provided many spirited pep rallies. B songleaders and cheerleaders led the student body during the B contests. All of these girls put in long hours of practice and planning so that we could be proud of them and of our school.

The hilarious comedy, "Our Hearts Were Young and Gay" by Cornelia Otis Skinner and Emily Kimbrough, was selected for this year's student body play. The light-hearted antics of Miss Skinner and Miss Kimbrough created an enjoyable evening for everyone who watched them. The cast, headed by Carol Jobe and Margaret Wasden, gave an outstanding performance for a large and appreciative audience.

The expert (and patient) direction of Miss Ruth Frankel and the usual competent work of Mr. Booth and the stage crew helped to make this play one of the memorable productions in the history of Claremont High.

Left to right: J. Keesey, I. Hertz, B. Aultman, C. Jobe, J. Williamson.

Behind the scene of every stage production put on by Claremont High School is the faithful stage crew. With a number of new hands and a majority of experienced ones, a well organized group was soon developed.

Mr. Booth, the director, and the crew had their hands full with all the stage activities, but when the curtain was finally raised on each production, the results of their labor and skill were apparent. The enthusiastic approval of the audience was their reward.

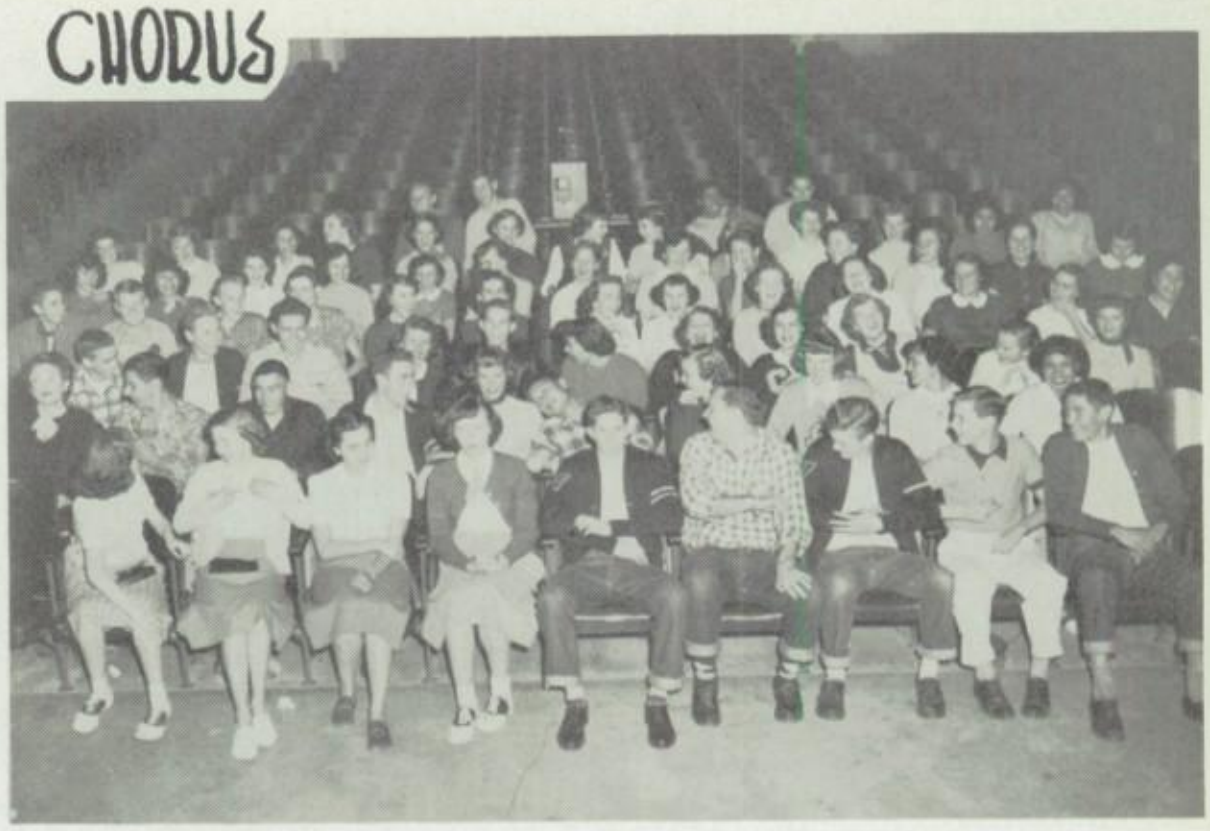
CHORUS



"MEET ARIZONA"

Left to right: B. Bosson, M. Dunn, C. Stivers, S. Bosson, B. Howell, D. Bartlett, A. Wagner, M. Leask, C. Angle.

"Meet Arizona," is the new operetta which was chosen for presentation this year by the Chorus under the direction of Miss Alice Corbeil. This tuneful production is set on the background of Arizona today with the amusing characters of a dude ranch. Leads in the operetta were taken by Shirly Bosson as Lettie, Ann Wagner as Emily, Don Bartlett as Rennie and Bill Howell as Larry.

Miss Ruth Frankel directed the lines. The interesting settings were designed by Mrs. Jeanne Dauth and her students and created by the stage crew under Mr. Booth's direction. The whole production was colorful and musical.

ENSEMBLE

Meeting three times a week, the Ensemble was under the direction of Miss Alice Corbeil. The major event of the year was a trip to Van Nuys by the group to sing "South Pacific." The Ensemble sang for school functions and several clubs and was a credit to the school.

RED CROSS

Under the direction of Mrs. Ruth Laidlaw, the Red Cross conducted a successful drive in February, introduced by an assembly. The organization met after school to make arrangements for this campaign.

HOMEMAKING CLUB

Organized last fall for the first time, the Homemaking Club made wonderful progress. Under the capable supervision of Mrs. Laidlaw, it undertook many worthwhile projects. One of these was a food basket collected for a needy family. Others were a successful food sale, and a much-appreciated party and program for Casa Colina. The girls were also very helpful serving at faculty meetings. Besides being of service, they gained valuable experience in these activities.

C.S.F.

The California Scholarship Federation, under the leadership of Mr. Robert McGill, is an honorary group. Membership is limited to those students who maintain a high scholastic rating. Those students who are members of the C.S.F. for four semesters receive a gold seal on their diplomas. Each year the members look forward to a field trip to some place of interest.

For the first semester the officers were George Madsen, President; Edward Zahnow, Vice-President, and Marilyn Hunter, Secretary-Treasurer. Carol Jobe, President; Fred Chang, Vice-President, and John Keesey, Secretary-Treasurer, took over for the second semester.

SPANISH CLUB

A Christmas party, complete with a pinata, songs, and a play, given for the David and Margaret Home, highlighted this year for the Spanish Club. Mario Serna, President; Rosa Torrez, Vice-President; and Jeanette Streich, Secretary-Treaurer, helped organize this project. The purpose of the Spanish Club is "to further understanding of Spanish culture by means of enjoyment." Members planned the weekly meetings, which included student presentations and guest speakers, with the help of Mrs. Mary Harris, first semester, and Miss Gratia Boynton, second semester.

YOUTH CENTER

The Youth Center reopened early in February and has been actively supported by the student body and other groups in Claremont since that time. Two representatives from each class were elected at school. Meeting weekly, the representatives planned and discussed future activities. This group, known as the Council, was very enthusiastic in planning meetings of the Youth Center.

Refreshments, pingpong, dancing, and violent volleyball games, along with monthly clean-ups have been a major part of the center's activities. Advised by Mr. Louis Gentile, from Claremont Graduate School, and under chairman Sam McCarson, the Council has made the Youth Center an important part of our social life.

TRI-COUNTY DANCE

The Tri-County Dance was one of the most successful dances of the year. This dance started a friendlier feeling between schools. The City Fathers' Band provided the musical entertainment to make an even more enjoyable evening at the Student Union of Pomona College.

LETTERMAN'S DANCE

Spooks and goblins provided the setting for the Letterman's Dance in the fall. The girls shivered to see a man hanging from the ceiling of Sycamore Auditorium with a horrible expression on his face, but they were still able to dance. The evening was made very light-spirited by the sight of new Lettermen wearing dresses while they worked as waitresses, serving tacos, root beer, and pie.
